Education Law, Section 6305 provides, "The Chief Fiscal Officer of each county, as defined in section 2.00 of the local finance law, shall, upon application and submission to him of satisfactory evidence, issue to any person desiring to enroll in a community college as a non-resident student, a certificate of residence showing that said person is a resident of said county...Such person shall, upon his registration for each college year, file with the college such a certificate of residence issued not earlier than **60 days prior thereto or 30 days after the start of the semester**, and such certificate of residence shall be valid for a period of one year from the date of issuance. Education Law, Section 6301, paragraph 4 defines "Resident" A person who has resided in this state for a period of at least one year and in the county, city, town, intermediate school district or school district, as the case may be, for a period of at least 6 months both immediately preceding the date of such person's registration in a community college or, for the purposes of section 6305 of this chapter, his/her application for a certificate of residence.

According to Article 126 of Education Law, Section 6301 paragraphs 5, 5(i), 5(ii) and 5(iii) 1 & 2, "In the event that a person qualified for state residence but has been a resident of two or more counties in the state during the six months immediately preceding his application for a certificate of residence, the charges to the counties of residence shall be allocated among the several counties proportional to the number of months, or major fraction thereof, of residence in each county."
